

MRUNAL NIVRUTTI TAMBE

FRONTEND-DEVELOPER

Nira,Purandar 412102 | +91-9623998347 | mrunaltambe845@gmail.com

Computer Engineering student at GCOEARA, currently pursuing a B.E. degree. Passionate about creating interactive web applications and exploring backend development. Committed to tackling practical problems and delivering reliable solutions. Aspiring to work for a forward-thinking tech company where I can advance my skills and contribute to innovative projects.

SKILLS

Frontend: HTML, CSS, JavaScript, Bootstrap ,
React.js

Backend: MySQL, MongoDB (Basic)

Programming Languages: C++, Python
(Intermediate), DSA in Java

Tools and Technologies: VS code, GitHub

PROJECTS

- **Travel Management system project**

Developed a web-based application using HTML, CSS for the front-end interface and implemented PHP for database management. Designed features for travel bookings, management, and user authentication to provide a seamless user experience.

- **Interactive Resume Builder**

Built with HTML, CSS, and JavaScript, this Resume Builder site offers customizable templates, real-time previews, seamless form inputs, and a download feature. It enables users to create and save professional resumes effortlessly. The platform ensures an interactive and efficient user experience.
